

The Value Outrigger

Here's a fixture system that will make your products look good, allows you to change from hanging to shelving or any combination of the two, is easy to install and doesn't take up a lot of floor space. All of that at a price that's easy on the budget too!

Outfit an entire store or simply highlight a specific area with the "VALUE OUTRIGGER".

Choose either the simple lines of the "FINAL STYLE" or form a valance with the "FASCIA STYLE OUTRIGGER".

The Finial Style Outrigger

Outriggers are popular because of their easy installation. Since most of the weight is carried by the floor, the wall fastening needed is minimal.
