SYSTEMS

FACE BLADE

S: SYSTEMS • P: C-30B • D: 5-06

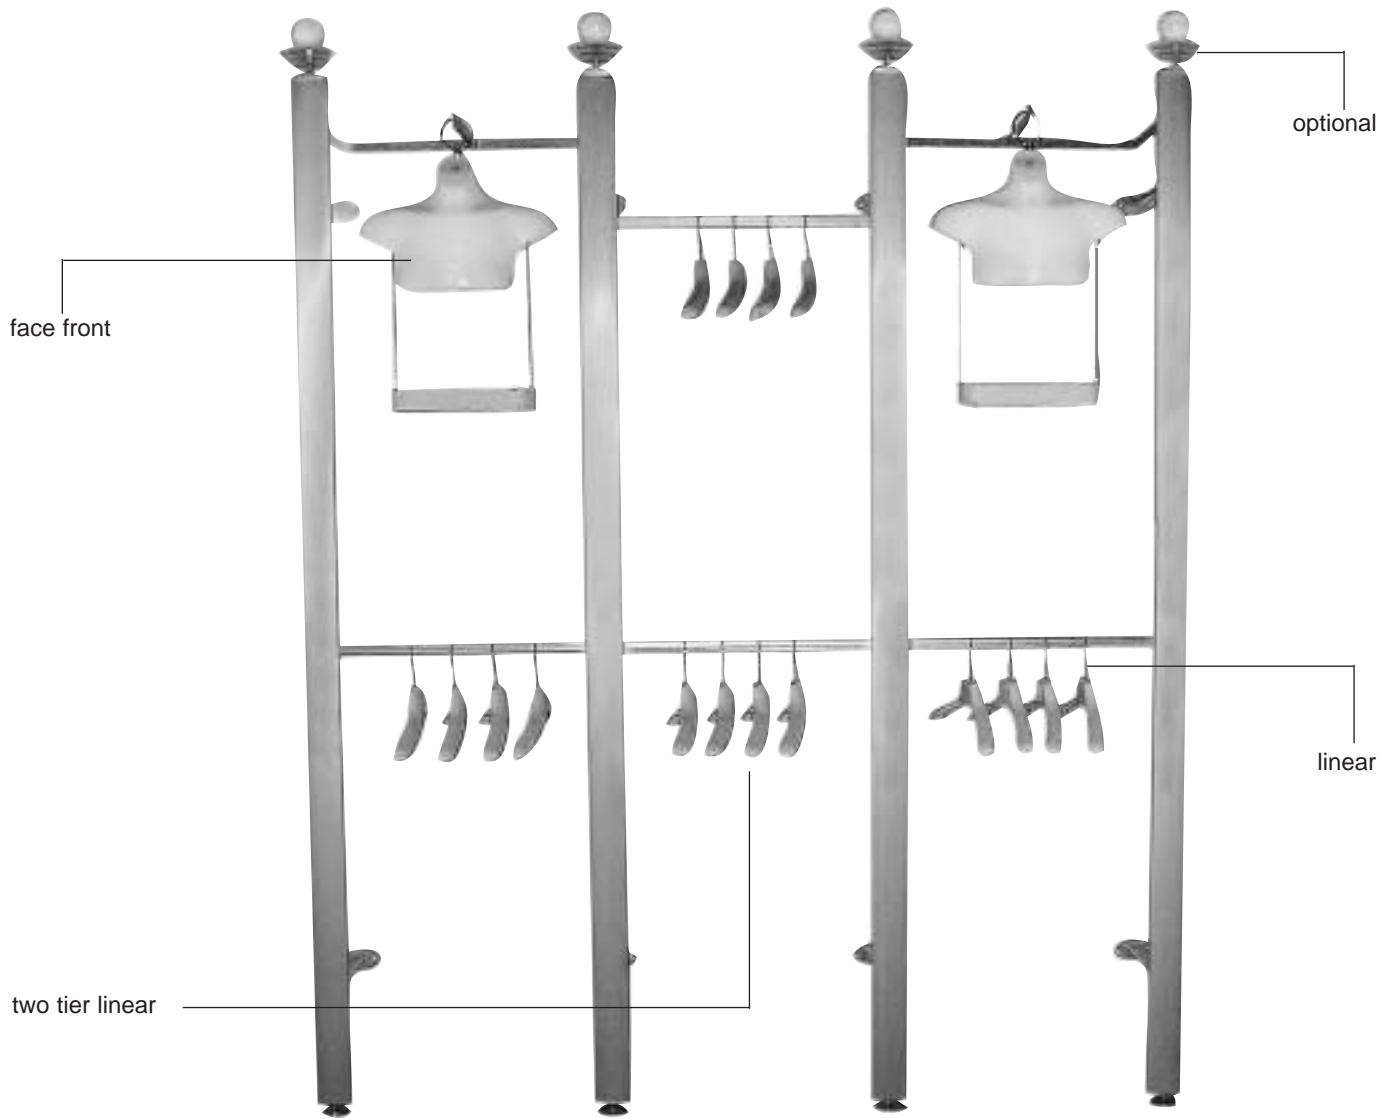

Contemporary styling is achieved by these soft elliptical aluminum BLADE FACE posts concealing functional double slotted steel standards that will accept virtually all standard hardware.

HANGING FOR FACE

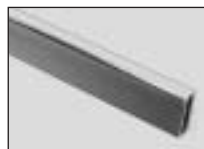

S: SYSTEMS • P: C-31A • D: 5-06

BLADE FACE RIGGERS slotted standards allow you to select functional round hangrails or versatile rectangular or square hangrails for linear or frontal presentation.
